## Social Handles

**Aaron Thomas** is a nationally recognized family law expert, Harvard Law graduate, and three-time winner of *Atlanta's Best Divorce Attorney*. With over 1,000 clients—including NBA Hall of Famers, Super Bowl champions, and Grammy-winning artists—he has built a career helping high-profile and everyday couples navigate marriage, divorce, and financial security.

As the founder of **Prenups.com**, Aaron is on a mission to reshape how couples approach prenuptial agreements, ensuring they build strong financial foundations before saying “I do.” He is also the author of *The Prenup Prescription: Meet the Premarital Contract Designed to Save Your Marriage*, offering a modern approach to love, money, and long-term commitment.

## SPEAKING TOPICS AND SIGNATURE TALKS

### **“1000 Divorces Later: What Every Couple Needs to Know About Marriage and Money”**

Why today’s couples should rethink prenups and how they create financial clarity, security, and trust.

### **“Marriage: The 4,000-Year Evolution—and Why the Last 50 Years Changed Everything”**

An eye-opening account of how the institution of marriage has changed over the past generation, and what that means for today’s couples.

### **“The Hidden Playbook: Why Outdated Marriage Laws Put Pro Athletes at Risk”**

Surprising reasons why marriage laws written in the 1800’s make today’s professional athletes the most vulnerable population to family law courtrooms.

## KNOWLEDGEABLE IN HIS EXPERTISE

“Aaron provides the actionable education in prenups needed to help a couple engineer their own healthy and successful marriage, one set on a foundation of transparency, communication, and fairness—the key tenets of a healthy relationship.”

– *Eve Rodsky, Author of the New York Times Bestseller Fair Play*

“Aaron explains how a prenup isn’t a divorce plan, but it can be a financial relationship plan. He provides invaluable advice for everyone—whether you’re still glowing over your shiny new ring or you’ve been married for decades—about not fighting over money and staying happily married. Genius!”

– *Stephanie Everett, CEO of Lawyerist, host of The Lawyerist Podcast, and co-author of The Small Firm Roadmap*

## WHY BOOK AARON?

- Aaron is a practicing attorney who has helped hundreds of couples achieve financial security before marriage.
- Not just a lawyer – an educator who makes legal and financial topics accessible and engaging.
- Experienced and comfortable in various settings: Main-stage keynotes, national television interviews, remote long and short-form interviews, classrooms, and conferences.
